## Thursdays

**3:30-5:00** **JR. DESIGN & ENGINEERING**

1/29/15 – 3/26/15, 9 weeks

**$182 great for ages K – 5th**

Great for grades K-8 on Old Town Academy Campus

Come and build with us! From Lego cars, marble tracks, ancient clay pyramids, and structures made out of all kinds of fun recycled materials, this class puts creativity and fun in the front seat as your students learn about principles of building, design and engineering. This hands-on class allows students to experience the cause and effects of gravity, friction, stability, structure, and basic mechanics. With lots of room for their own creativity and design ideas, each project is a wonderful adventure for your young engineers!

## Fridays

## ArtSpace: Optical Illusion

**3:30 – 5:00**

1/30/15 – 3/27/15, 8 weeks ( no class on 2/13 and class at 12:30 on the 3/27)

**$164 plus a $10 materials fee. Great for ages K – 5th**

Great for grades K-8 on Old Town Academy Campus

In this class students explore art around a theme for the session. This session the theme is optical illusions. Students will build art skills, work with a wide variety of mediums, and have fun experimenting with different art tools while they create and learn about different optical illusions. Each class weaves in a life skill discussion, which is tied to the class theme for that day, helping the students to explore both art and life through that topic.
